

Miss Maggie May Ivey

February 7, 2025

Maggie Loved Children, especially babies, often pouting when they weren't right next to her. She loved to sunbathe and Mom's homemade treats. Most of all, she loved car rides. If your car door was open and she could get out, there was no option, and several unsuspecting folks had to pay this tax.

She left Beau, Dobby, and Winky behind, with the wisdom that she imparted, so they could take care of her family so she could rest. Her 'happy hippo smile' and her silly ways will be missed terribly, but remembered for a lifetime.

Charlie and Buddy met her on the other side of the Rainbow Bridge Run Maggie run, till we see you again.
