

## Pablo Ansel

July 19, 2025

After many wonderful years as part of our family, Pablo has made his way across the rainbow bridge. Born in Peoria, Pablo's journey began with a chance encounter at Petsmart, where his soft eyes and gentle spirit instantly captured the hearts of two young girls, Emma and Natalie. From that moment on, he became a treasured member of the family, bringing comfort, laughter, and unconditional love to all who knew him.

Pablo was a true adventurer at heart who loved spending time outside, especially after receiving his iconic spring lion cut—an annual tradition that brought smiles to everyone who saw him strut his stuff with pride.

At night, he could always be found snuggled close to his mom, offering warmth and quiet companionship. His presence was healing, his purr a balm for the soul.

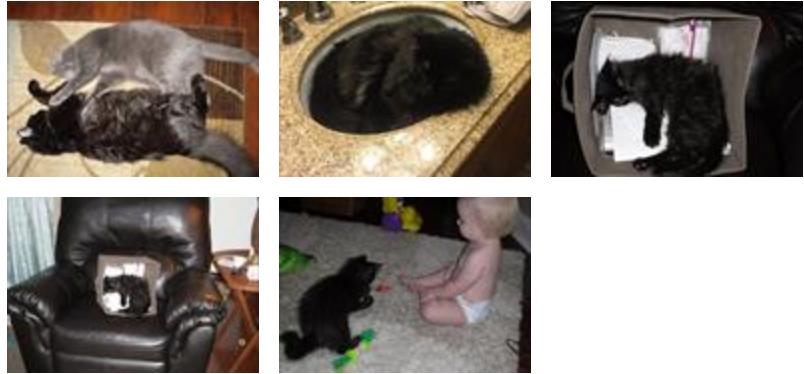

Pablo was more than a pet—he was a constant, a comfort, and a part of our little family's heartbeat. His memory will forever live in our hearts, and he is deeply missed.

Sleep peacefully, sweet Pablo. Thank you for all the love.
